### OCP Slasher<sup>®</sup> Organic\* Weedkiller

Ready to Use is a contact weed control that acts on the foliage, causing it to quickly dehydrate and collapse.

Results are seen as browning and wilting usually within 1 hour of application.

† Visible results can take longer than 1 hour on certain tough weeds or weeds in shaded conditions. For best results, apply when temperature is over 10°C.

### HOW TO USE SHAKE WELL BEFORE USE

DO NOT spray if weeds are wet. DO NOT apply if rainfall is expected before spray dries on plant surfaces. DO NOT apply in windy conditions.

SITUATION	WEEDS	HOW TO APPLY
Gardens, Paths, Driveways, Around sheds, Spot Spraying in Lawns and Turf, Bushland & Forests	Annual and Perennial Weeds and Grasses including fat hen, potato weed, stinking roger, couch grass, chickweed, lambs tongue, peppercress, capeweed, common storksbill, clover.	Spray to completely cover weed surface. Reapplication at around 7 days may be necessary if regrowth occurs. This product may damage lawn and turf when used as a spot spray. <b>Perennial weed species may require repeated applications to obtain long term control.</b>
Gardens, Paths, Rockeries, Tiled Roofs, Walls, Driveways, around Buildings, Spot Spraying in Lawns and Turf, Bushland & Forests	Algae, Lichen, Liverwort, Moss	Spray to completely cover plant surface. For driveways or heavy infestations, clean off by brushing after 3 days and reapply if necessary.

**NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED**

#### HOW TO PREPARE:

To be effective, OCP Slasher<sup>®</sup> Organic\* Weedkiller must come into contact with the green parts of the plant. Slasher<sup>®</sup> Organic\* Weedkiller will control many weed species and is non-selective.

Shake well before use. Ensure that all weed foliage is totally covered with spray as Slasher<sup>®</sup> Organic\* Weedkiller is a contact spray.

**DO NOT spray porous surfaces without prior testing. May cause discolouration on porous hard surfaces.**

**CAUTION:** DO NOT allow spray to contact or drift onto plants you do not want killed. If accidentally sprayed, hose off immediately to reduce injury. DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds.

**STORAGE AND DISPOSAL:** Keep out of reach of children. Store in the closed, original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

**SAFETY DIRECTIONS:** Will irritate the eyes. May irritate the skin. Avoid contact with eyes and skin. When using the product wear safety glasses. Wash hands after use.

**FIRST AID:** If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126, New Zealand 0800 764 766. If in eyes, wash out immediately with water.

**FOR EMERGENCIES ONLY CALL: 1800 033 111 (24 HOURS).**
